Pittsburgh District

# Notice to Navigation Interests

In reply refer to  
Notice No. below

US Army Corps of Engineers, Pittsburgh District  
1000 Liberty Avenue, Pittsburgh, PA 15222-4186  
(412) 395-7157

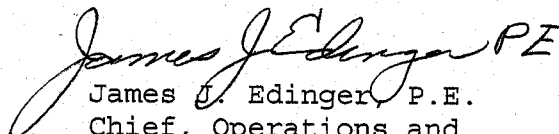

Notice No. 03-18

Date: April 29, 2003

Albert Gallatin Bridge  
Mile 89.8, Monongahela River  
Replacement of Stringers

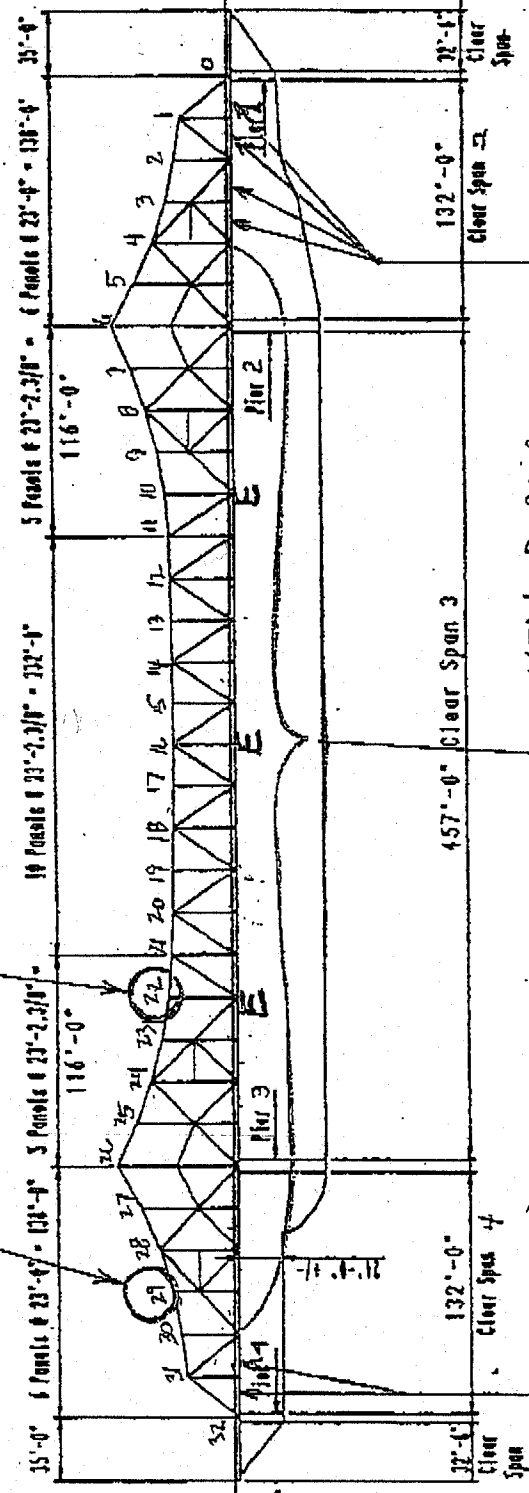

1. TO ALL WHOM IT MAY CONCERN: Notice is given that Brayman Construction Corporation will begin replacing stringers on the Point Marion SR0088 Highway Bridge main channel span, Mile 89.8, Monongahela River.
2. Work will be conducted between the hours of 7:00 a.m. and 7:00 p.m., five days per week from May 19, 2003 through September 12, 2003.
3. The marine fleet will consist of one barge (120'x48'x6') and an attendant small craft. No permanent marine vessel will be at the site. Work will begin at the west abutment - Greene County, with the barge permanently moored at the river's edge (approximately two weeks). Work will proceed to the right to mid-channel (approximately two months). The barge will be moved from mid-channel at the conclusion of the work each day to the closest riverbank and repositioned the following morning. Work will conclude at the east abutment - Fayette County, with the barge permanently moored at the river's edge (approximately two weeks).
4. The project can be contacted during working hours at 412-287-3586 (Scott Meyer); during non-working hours at 412-292-7077 (Patrick Carnevale).
5. Navigators should use caution when passing the area.

FOR THE DISTRICT ENGINEER:

  
James J. Edinger, P.E.  
Chief, Operations and  
Readiness Division
